Hello School Finance Accountability Board:

The Wall School District has met the requirements of the School Finance Accountability Board and the conditional waiver set forth. The WSD is obligated to pay our certified teaching staff \$27,144. The WSD worked with the SD Department of Education to verify that this is the correct number.

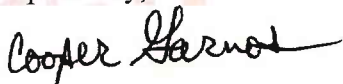

The Wall School Board's negotiating team met with the Wall Education Association's negotiating team and agreed to a 'Memorandum of Understanding'.

Enclosed you will find the following:

- 1) Copy of the Memorandum of Understanding by the WSD and the WEA.
- 2) Fact Sheet
- 3) WSB Agenda: Documentation of certified staff who received approved addendums. # 7

Please let us know if there are any other requirements that need to be met.

Respectfully,

Superintendent Cooper Garnos

Memorandum of Understanding between the Wall Education Association and the Wall Board of Education

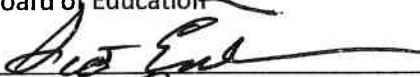

It is hereby agreed and understood by the Wall Education Association and the Wall Board of Education, that the Negotiated Agreement between the parties, which was agreed upon and executed in the Spring of 2017 and/or on April 27th, 2017, will be modified as relates to salary and benefits by an Addendum to said Negotiated Agreement. This Addendum will only pertain to salary and benefits for the 2017-18 Negotiated Agreement. The Addendum to the Negotiated Agreement will be an additional \$1,100 in salary. The Addendum to the Negotiated Agreement will be an additional \$150.15 in benefits (payroll taxes (Medicare & Social Security) and SDRS. This amount will be provided in nine equal installments over the course of nine months beginning in December of 2017 and ending in August of 2018. The parties (WEA & WBE) have not established a past practice by this Addendum and agree that this is a single, one-time, exception to the Negotiated Agreement.

This Memorandum of Understanding is signed this 4th day of Dec, 2017.
